Review Report to the Board of Directors of RCI Power Limited

I have reviewed the accompanying statement of audited financial results of RCI Power Limited for the period ended 31st March, 2022. This statement is the responsibility of the Company's management and has been approved by the Board of Directors. My responsibility is to issue a report on these financial statements based on my review.

I have conducted my review of the Statement in accordance with the standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provided less assurance than an audit. I have not performed an audit and accordingly, I do not express an audit opinion.

Based on my review conducted as above, nothing has come to my attention that caused us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
