This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4.

- (ii) As stated in Note 6 to the accompanying statement, the Company has unconfirmed/unreconciled balances of long-standing advances of Rs. 1,35,47,647 and trade payables of Rs. 1,92,46,071. Although advances of Rs. 1,35,00,000 and trade payables of Rs. 1,70,00,207 are over 48 months, due to unavailability of sufficient appropriate audit evidence to corroborate management's assessment of recoverability of the above said amounts and as these are outstanding for more than 48 months, we are unable to comment on the recoverability of the same.

The opinion expressed by us in the audit report dated June 30,2021for the year ended March 31, 2021 was also qualified to the above matters.

5. We draw attention to the following matters:

- (i) The company's shares have been delisted from Trading in Bombay Stock Exchange for nonpayment of penalty.
- (ii) We draw attention to note No. 5 of the standalone financial results, which indicates that the company's current liabilities exceed its current assets by Rs. 3,975.18 Lakhs. These conditions indicate that a material uncertainty exists that may cast a significant doubt on the company's ability as going concern. However, the Ind AS financial results of the Company have been prepared on a going concern basis for the reasons stated in the said note.
- (iii) We draw attention to Note 7 to the standalone financial results which describes the possible effects of uncertainties relating to covid-19 on operations and results of the group as assessed by the management.

The above matters (i) (ii) and (iii) are also reported as an emphasis of matter by us in the audit report dated June 30,2021for the year ended March 31,2021

Our conclusion is not modified in respect of the above matters.

6. Based on our review conducted, except for the possible effects of the matter described in 4 and 5 above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in IND AS 34, prescribed under section 133 of the Act, and as per the presentation requirements of the SEBI Circulars, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 and Regulation 52 read with Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

**B Notes:**

- The above results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on November 10, 2021. The auditors have expressed a qualified opinion.
- These audited standalone and consolidated financial results have been prepared in accordance with Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In accordance with the requirements of section 133 of the Companies Act, 2013, these financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, Interim financial reporting, read with the relevant rules issued there under and other accounting principles generally accepted in India.
- The company's shares have been delisted from Trading in Bombay Stock Exchange for non payment of penalty. The company is making necessary arrangements to settle the same.
- Interest liability on unpaid direct tax dues: No interest has been provided on the delay in payment of direct tax dues as the Management is of the view that provision for taxation made will be adequate to cover this because of certain deductions claimed in the memo of income for the earlier years.
- Though the company's current liabilities exceeded its net realisable current assets and the company has defaulted in meeting its repayment obligations to its lenders, the company is in the process of promoting low-cost housing projects. This process along with the sale of a prime asset of the company to raise resources for the new business have been slowed down because of the covid pandemic and this will be speeded up once the lockdowns restrictions are eased. Considering these and financial commitment of the promoter group, the management has prepared the financial statements by applying the "Going Concern" assumption.
- Confirmation of balances had not been received from parties in respect of certain outstandings: Pending confirmation, no adjustments have been carried out to the carrying values and the balances as per books of account have been adopted. In the opinion of the Management, the amounts stated in the Balance Sheet are fully receivable/payable.
- The outbreak of COVID-19 pandemic had disrupted the business plans of the Company to undertake new projects due to the lock down restrictions and other emergency measures imposed by the Government from time to time. The management has taken into account the possible impacts of known events, upto the date of the approval of these financial results, arising from COVID-19 pandemic on the carrying value of the assets and liabilities as at 31 December 2021. However, there exists significant estimation uncertainty in relation to the future impact of COVID-19 pandemic on the Company and, accordingly, the actual impact in the future may be different from those presently estimated. The Company will continue to monitor any material change to the future economic conditions and consequential impact on the financial results.
- The company had applied for Sabka Vishwas - (Legacy Dispute Tax) Scheme, 2019 for its Service Tax dues of Rs. 2.43 crores and the same was due on 30th June 2020. The company had made a request for extension of the same in the light of COVID-19 pandemic and awaiting approval for the same. However, no communication on the same has been received from the relevant authorities. The company is hopeful that it would receive a positive response from the government considering the lasting impact of COVID-19 accordingly interest if the benefit stands withdrawn amounting to Rs. 3,53,96,008 has not been provided for.
- Previous year's/period's figures have been regrouped / rearranged wherever necessary to conform to current year / period's classification / reporting.
